Dedication

Remember that day, years ago, when you stood at the door to welcome us to our new life at school? Few of us realized that the steps we climbed that day would lead to such a memorable event. Now, we have climbed the steps of Irrigon High for the last time and we wish to thank you for giving us a good start.

With these thoughts in mind, we, the annual staff for 1959, on behalf of the entire student body, hereby dedicate this the last edition of the Irrigon Comet to you Mrs. Bentley to show in a small way our deep appreciation for 12 years of faithful service to Irrigon Schools.

School History

Because this is the last Comet to be put out by Irrigon High School, the annual staff thought it would be appropriate to include a short history of Irrigon Schools.

The first school district was created in 1904, at which time a private school was being run under the direction of Miss Swaih. This school was in the 2-story house next to the Complete Food Store.

In 1905 a new brick school was constructed on the north side of what is now the football field. This building was used for Grange, P.T.A., Church, Dances, and school for all 12 grades.

In 1920 the building that now houses High School and Eighth Grade was erected. The gymnasium was added several years later by members of the community and was used for all kinds of gatherings.

In 1952 Irrigon added a new grade school. It was named after A. C. Houghton and now holds the first 7 grades.

School Song

Here's to the fame of old Irrigon High-
Now and forever don't let her die!
To her spirit never lack;
Fight for her colors...Orange and Black.
Teamwork's the password for every game...
Fight fair and square, boys..Honor her name.
I. H. S. depends on you, so Onward to Victory.

Senior Class History

One early September morning in 1947 four little girls started on their first trip to school. They were Samie Umiker, Judy Berger, Vila Rae Hill, and Ruth Warner. Frank Shade joined us in our first year of school from Ogden, Utah. In the third grade John Califf became a member of our class from Portland, Oregon. During the fourth grade we were priviledged to gain Connie Swearingen, who skipped from the third grade, and Lynn Huwe, from Willamina, Oregon. Two brothers from Arlington, Oregon, joined us in the seventh grade. They were Lee and Verne Simmons. In the same year John Collins joined us from Ottawa, Kansas. Sharon Olson from San Diego, California, and Jerry Franke from Umatilla, Oregon, entered our last year of grade school with us, the eighth grade. After finishing our Freshmen year John Collins moved to Hermiston, Oregon, and Sharon Olson moved to Canyonville, Oregon. During our Sophomore year we gained two new students, Kathy Nadgwick from Concord, California, and Lynn Matlack from Umatilla, Oregon. Sharon Olson joined us again the later half of the year. From Banks, Oregon, Judy Parsons came to be with us in our Junior year. In our last year of school Dave Brownlee joined us from Castle Rock, Washington and John Collins rejoined us in the later half of the year. And so on a May afternoon in 1959 seventeen graduates started on their last trip home from school.

GROUP WILLS

To the Juniors we leave our ability to make money.
To the Sophomores we leave our athletic ability.
To the Freshmen we leave our ability to get along with teachers.
To the Eighth Grade we leave all our memories of Irrigon High School as they will never be able to experience them.

Senior Class Prophecy

We view these boys and girls after half a score of years;
Want to hear of their successes--give them love, advice, and cheers.
John Califf's over in India with a globe encircling crew;
Kathy teaches her brood of four what is good and right to do.
Phys. Ed. teacher, Judy Berger, has a husband tall and fine;
Lynn Huwe's a bookkeeper for our biggest Air Ship Line.
Connie Married her boss, is now a college president's wife;
Posters made by Judy Parson's Shop urge peace instead of strife.
Jerry and his recent bride are walking around the world;
While Sharon, our politician, has her campaign flags unfurled.
Ruth has 40 music pupils and ten thousand laying hens;
Lee, in Alabama, fattens white-faced steers in pens.

Junk-dealer supreme, John Collins, lolls in wealth and ease;
Verne flies an airplane in the isles of southern seas.
David makes and sells reflectors to capture solar heat;
Vila cuddles a baby son, and has two little girls sweet.
Samie, president of a Mothers' Club, hurries away to help a friend;
Lynn M. sells vacuum cleaners, and has a Sea-Scout group to tend.
Frank, driving a wrecker, sees broken bodies and steel;
He urges constant carefulness whenever you take the wheel.

Ten years-- a gift of time--since leaving Irrigon school;
Time to laugh, love, buy, sell, but none to play the fool.
